

ONLINE SAFETY TRAINING INSTRUCTIONS

The trail signing course is located at the bottom of the Snoman website. The club password was sent to your club president. Please email your club president to get the proper password.

The screenshot shows a Mozilla Firefox browser window displaying the TrainingToDo.com website. The page title is "Request Training Access Code". The page is divided into two main steps:

Step 1: Select the training courses - SWP, WHMIS OR Both

- Safe Work Procedures (SWP)
Includes safe use of a chain saw, ice auger, rotary trimmer, and trail groomer.
- Workplace Hazardous Materials Information System (WHMIS)
For people working with controlled products such as chemicals and substances.

Step 2: Select your club, enter the club password, and your name, email and phone number

Club: -- Select Club -- Enter the club you belong to

Password: Enter the password given to you by your club president

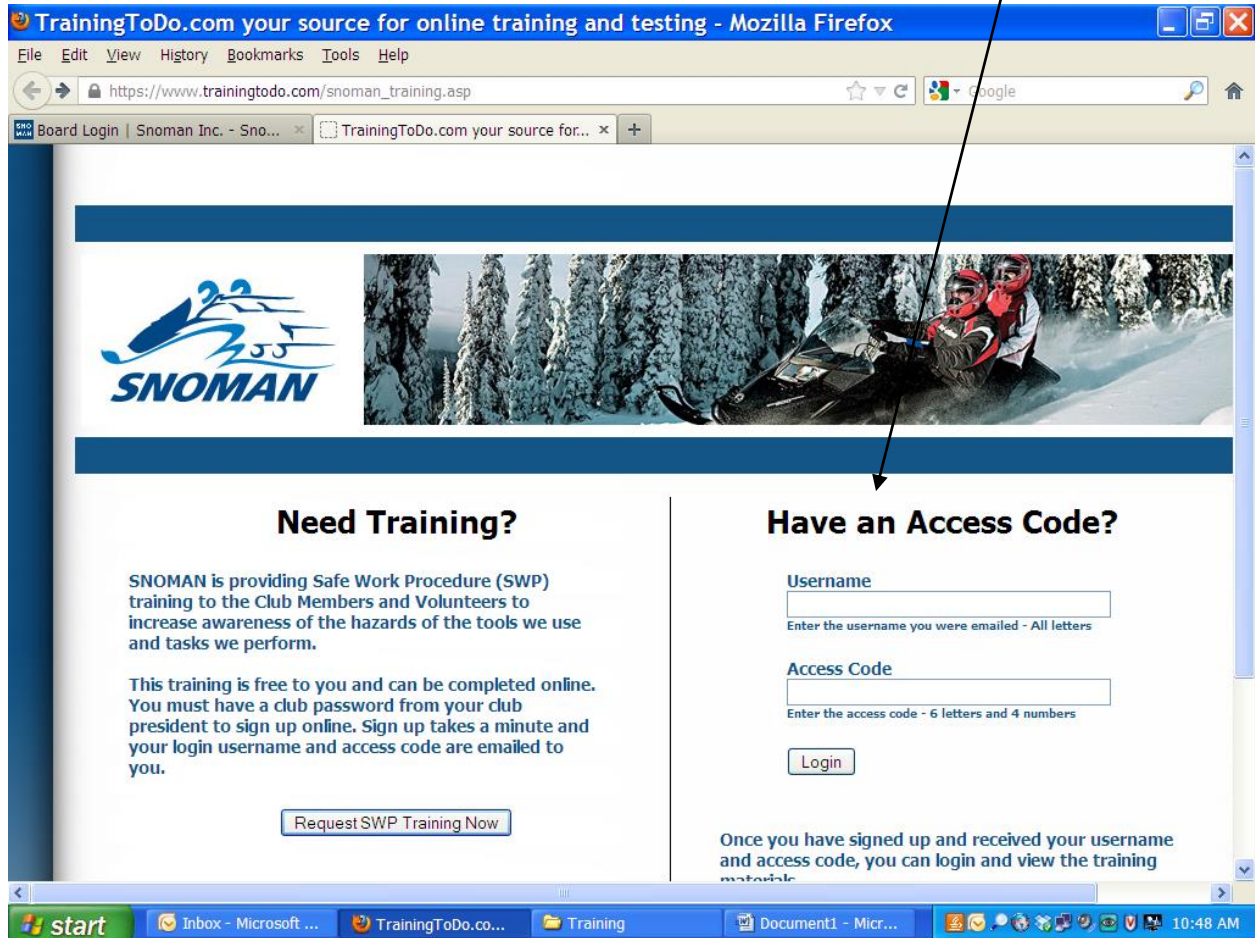

First Name: Enter your first name

Last Name: Enter your last name

An arrow points to the "Last Name" field.

Select your club and your password. You can get this from your club president.

Fill out all the rest of the blanks and then your username and access code will be emailed to you shortly. Once you've received them, you can now enter them on the right hand side of the page.

The screenshot shows a Mozilla Firefox browser window displaying the TrainingToDo.com website. The browser's address bar shows the URL https://www.trainingtodo.com/snoman_training.asp. The website features a blue header with the SNOMAN logo on the left and a photograph of two people on a snowmobile in a snowy forest on the right. Below the header, the page is divided into two columns. The left column is titled "Need Training?" and contains text about SNOMAN providing Safe Work Procedure (SWP) training to club members and volunteers. It includes a "Request SWP Training Now" button. The right column is titled "Have an Access Code?" and contains a login form with fields for "Username" and "Access Code", a "Login" button, and a note about receiving training materials after signing up. A black arrow points from the text above to the "Access Code" input field.

Need Training?

SNOMAN is providing Safe Work Procedure (SWP) training to the Club Members and Volunteers to increase awareness of the hazards of the tools we use and tasks we perform.

This training is free to you and can be completed online. You must have a club password from your club president to sign up online. Sign up takes a minute and your login username and access code are emailed to you.

[Request SWP Training Now](#)

Have an Access Code?

Username
Enter the username you were emailed - All letters

Access Code
Enter the access code - 6 letters and 4 numbers

[Login](#)

Once you have signed up and received your username and access code, you can login and view the training materials.

Follow the rest of the prompts.
